

## Who, What, Where, When, Why, How Questions

### Who .....

- is he, she
- is important, not important
- did it
- started it...stopped it
- was he, she , it,
- are they
- invented or created \_\_\_\_\_
- made a contribution
- is the best, worst
- designed or discovered it
- wrote, sang, performed \_\_\_\_\_
- was involved in or not involved in
- are the opposing forces
- are the contributors, distracters, antagonists
- wanted to \_\_\_\_\_
- helped, assisted, cooperated
- developed , destroyed \_\_\_\_\_
- can help
- is right or wrong about \_\_\_\_\_
- has the power to \_\_\_\_\_
- monitors the safety of \_\_\_\_\_
- was involved, in charge, main character
- caused it to happen
- was missing, left, changed
- set the record
- made the difference
- could have \_\_\_\_\_
- developed \_\_\_\_\_
- is in charge of \_\_\_\_\_
- who is the leader or ruler of \_\_\_\_\_
- is the author of \_\_\_\_\_

### What .....

- is a \_\_\_\_\_
- is \_\_\_\_\_like
- shape, texture, size, color , form is it
- is the history of \_\_\_\_\_
- does it look like
- are the details of \_\_\_\_\_
- are the facts and figures of \_\_\_\_\_
- type of \_\_\_\_\_are found in \_\_\_\_\_
- is the proof of it
- modifications have been considered
- are they feeling, hearing, seeing, doing
- kinds of \_\_\_\_\_ can be found in \_\_\_\_\_
- does \_\_\_\_\_ say about \_\_\_\_\_
- is the meaning of \_\_\_\_\_
- ever happened to \_\_\_\_\_
- will be used in \_\_\_\_\_
- is the difference between \_\_\_\_\_ and \_\_\_\_\_
- are the special concerns, considerations for
- is the mechanism responsible for \_\_\_\_\_
- is the most common, least common \_\_\_\_\_
- are the safety rules for \_\_\_\_\_
- are the secrets of \_\_\_\_\_
- is the engineering behind \_\_\_\_\_
- is the chemistry of \_\_\_\_\_
- is the evidence for \_\_\_\_\_
- are the sources of \_\_\_\_\_
- brand of \_\_\_\_\_ is best
- is the biography of
- are the duties and responsibilities of \_\_\_\_\_
- kind is better, faster, bigger, heavier, etc.
- happened in \_\_\_\_\_
- is the explanation of
- codes apply to \_\_\_\_\_
- are the Procedures Involved
- is the current condition of \_\_\_\_\_
- are some alternatives
- is your idea for the perfect \_\_\_\_\_
- causes the change
- are the variables
- are the chain of events that led to \_\_\_\_\_
- is the chemistry of \_\_\_\_\_
- is your favorite \_\_\_\_\_
- factors affect \_\_\_\_\_
- are the parts of
- affects the strength of \_\_\_\_\_
- are the most popular \_\_\_\_\_
- are the laws the govern \_\_\_\_\_
- is the cycle of \_\_\_\_\_
- research is being done in \_\_\_\_\_
- are the uses of
- are the standards for \_\_\_\_\_
- is the reason for \_\_\_\_\_
- happens when \_\_\_\_\_
- is the general theory of operation of \_\_\_\_\_
- is the point of \_\_\_\_\_
- design features were incorporated
- considerations determine \_\_\_\_\_
- prior knowledge is necessary
- are the major sources of \_\_\_\_\_

## Where ....?

- did it happen, occur, develop, change
- is it, was it
- did it start, end, go, live, change
- is it located - world, universe, time, space
- is the evidence found
- in reference to other things is it located
- does it come from
- did it go, come from,
- does \_\_\_\_ come from
- does he, she, it, live
- was it made, discovered, developed,
- is it used, found, kept
- was it
- are the most or least found
- is it found, not found
- can it happen, can't happen
- can you find information on \_\_\_\_
- in the world is \_\_\_\_
- does it happen most often, least often
- can it be
- has it gone
- is it headed
- does it - work, help, happen, live, fit in, go
- can you find more information

## What .....

- if he \_\_\_\_
- are the benefits of \_\_\_\_
- is the advantage, disadvantage of \_\_\_\_
- is it, was it
- happened, developed, changed
- do \_\_\_\_ prefer, like, need, want
- does it, did it
- causes it
- is the relationship of \_\_\_\_ and \_\_\_\_
- are the measurements of \_\_\_\_
- is the correct way to \_\_\_\_
- determines the size of \_\_\_\_
- was the event
- does \_\_\_\_ stand for
- is the object
- is the description of \_\_\_\_
- are the requirements for \_\_\_\_
- is the function of \_\_\_\_
- is the purpose for \_\_\_\_
- do you think about \_\_\_\_
- happens to \_\_\_\_ in \_\_\_\_
- are the best type of
- are the best and worst of
- is the effect of \_\_\_\_ on \_\_\_\_
- is the history of
- is missing, needed, necessary
- is the conflict, argument,
- is the setting, location, time period,
- what are the results
- did he, she it, they do
- factors affect \_\_\_\_
- is the treatment for \_\_\_\_
- is the difference between \_\_\_\_ and \_\_\_\_
- size is it
- are the pro's and con's
- does it look like, not look like
- does it resemble, not resemble
- protective equipment is needed for \_\_\_\_
- can it do, hear, see, feel, make,
- can't it do, hear see, feel, make
- major advances have been made in \_\_\_\_
- does it - eat, like, use, mean, do, matter
- is the same, opposite, reverse, contrary
- facts prove or disprove the theory of \_\_\_\_
- is the opposite, same
- governs it
- are some examples of \_\_\_\_
- are the scientific principles behind it
- safety procedures should be followed for \_\_\_\_
- evaluation instruments are used
- are the chemical reactions that produce \_\_\_\_
- are the practical applications of \_\_\_\_
- factors affect the rate and size of \_\_\_\_
- more is there

## When .....

- did it happen. start, end, die, occur, change
- was it made, started, changed, developed
- is it used, not used, helpful, harmful
- is it dangerous, safe, important, useful
- was he, she, it born, made, created
- did he, she, it, they do it
- is it best, worst,
- is it used or not used
- is it best to \_\_\_\_
- shouldn't you or should you \_\_\_\_
- was it written, performed, used, developed

## Why .....

- should we be concerned about \_\_\_\_
- are there different types of \_\_\_\_
- should it concern you
- is it regulated, controlled, guarded,
- did it happen
- do \_\_\_\_ have \_\_\_\_
- is it made, developed, changed, used
- are \_\_\_\_ able to \_\_\_\_
- is it good, bad, beautiful, strong, weak
- do \_\_\_\_ need \_\_\_\_
- is it important, not important
- is it safe to \_\_\_\_
- was it successful, unsuccessful
- didn't it work, change, make a difference
- could it happen again, not happen again
- is there \_\_\_\_
- did - he, she, they, do - it
- can't it be done or can it be done
- has \_\_\_\_ changed, moved,
- does \_\_\_\_ happen, not happen
- did it succeed or fail, hurt or help,
- is \_\_\_\_ necessary for \_\_\_\_
- was it written, said, done, developed
- does it work or not work
- do some \_\_\_\_ and others \_\_\_\_
- does it help or hinder
- do we need \_\_\_\_
- does it change or not change
- is \_\_\_\_ best or worst
- was it invented, used, developed, made
- does a \_\_\_\_ use \_\_\_\_
- do we \_\_\_\_ or don't we \_\_\_\_
- was it destroyed, injured, broken, fixed,
- are they happy, sad, feeling the way they do
- is it so difficult to \_\_\_\_
- is \_\_\_\_ important today
- was \_\_\_\_ important in the past
- are \_\_\_\_ opposed to \_\_\_\_
- do \_\_\_\_ support \_\_\_\_

## How .....

- how do \_\_\_\_ and \_\_\_\_ communicate
- do you classify \_\_\_\_
- do you avoid \_\_\_\_
- do different \_\_\_\_ affect \_\_\_\_
- does it work
- long will \_\_\_\_ last
- long have \_\_\_\_ existed
- many products are made from \_\_\_\_
- how can it be increased
- does it happen
- is it made, used, fixed, measured
- has \_\_\_\_ influenced \_\_\_\_
- did it start, end
- has \_\_\_\_ changed, not changed
- has \_\_\_\_ changed over time
- can it be increased, decreased
- would you measure \_\_\_\_
- can it help or hurt
- reliable is \_\_\_\_
- long, high, wide, deep, thick, big, small is it
- does \_\_\_\_ grow in \_\_\_\_
- does a \_\_\_\_ work, function, operated, live
- do you protect \_\_\_\_
- is formed, destroyed, transformed,
- do you handle \_\_\_\_
- has \_\_\_\_ evolved, changed, stayed the same
- should you respond to \_\_\_\_
- can it be broken, fixed, made better
- does \_\_\_\_ affect \_\_\_\_
- can it be secured, increased, decreased, moved
- do \_\_\_\_ live, survive, grow, increase,
- much \_\_\_\_ does it take to \_\_\_\_
- does it work, live, grow, function,
- do you use \_\_\_\_
- is the rate of \_\_\_\_ affected by \_\_\_\_
- do \_\_\_\_ work best
- much can affect \_\_\_\_
- do you tell the difference between \_\_\_\_ and \_\_\_\_
- can you become a \_\_\_\_
- do \_\_\_\_ and \_\_\_\_ compare in size, shape, form
- does \_\_\_\_ prevent \_\_\_\_
- can you control, maintain, constrain it
- can \_\_\_\_ be identified, measured, changed
- will adding \_\_\_\_ affect \_\_\_\_
- do they work, operate, function, perform
- strong or weak is it
- is \_\_\_\_ possible, not possible
- are standards set for \_\_\_\_
- do we know \_\_\_\_ is true
- can we distinguish between \_\_\_\_ and \_\_\_\_
- can I \_\_\_\_
- do you \_\_\_\_
- long will it take \_\_\_\_ to grow, increase, change
- many kinds of \_\_\_\_ are there
- can you predict \_\_\_\_

## Other Questions ????

- Do all use or have the same \_\_\_\_\_
- Can \_\_\_\_\_ live without \_\_\_\_\_
- Can \_\_\_\_\_ work without \_\_\_\_\_
- Can you determine the effect of \_\_\_\_\_ on \_\_\_\_\_
- Are \_\_\_\_\_ different from \_\_\_\_\_
- Is there a relationship between \_\_\_\_\_ and \_\_\_\_\_
- Will \_\_\_\_\_ help, hurt, increase, decrease
- Will \_\_\_\_\_ effect it
- Does the amount of \_\_\_\_\_ affect \_\_\_\_\_
- Are \_\_\_\_\_ safe, dangerous, useful, necessary
- Are \_\_\_\_\_ valid, true, in existence
- Are \_\_\_\_\_ in existence
- Is there anyone who \_\_\_\_\_
- Is there anything that \_\_\_\_\_
- Is there any research supporting \_\_\_\_\_
- Is there any news about \_\_\_\_\_
- Has there been any change in \_\_\_\_\_
- Will \_\_\_\_\_ ever change, stay the same, move
- Will \_\_\_\_\_ ever happen again
- Is it safe, unsafe safe
- Is it enough, not enough
- Is it worth it, not worth it
- Can you explain the reasons for \_\_\_\_\_
- Can you explain \_\_\_\_\_
- Can you describe, justify, measure \_\_\_\_\_
- Is there any value in \_\_\_\_\_
- Is there any reason, use or justification for \_\_\_\_\_
- If it happened once, can it happen again
- Can you state the consequences of \_\_\_\_\_
- Are there questions that should be asked about it
- Which is most or least economical
- Does it make sense to \_\_\_\_\_
- Is it worth it, not worth it
- Will there be \_\_\_\_\_ in the future
- Was there \_\_\_\_\_ in the past
- Do \_\_\_\_\_ serve any purpose
- Did you know that \_\_\_\_\_
- Can \_\_\_\_\_ be used to \_\_\_\_\_
- Which type of \_\_\_\_\_ produces the most \_\_\_\_\_
- Is there an answer for \_\_\_\_\_
- Are there different viewpoints for \_\_\_\_\_
- Does \_\_\_\_\_ react to \_\_\_\_\_
- Which has the most or least \_\_\_\_\_
- Which is the best or worst \_\_\_\_\_
- Which is the Fastest or slowest \_\_\_\_\_
- Does it matter
- Does it make a difference
- Does it cause a reaction
- Does it influence the behavior of \_\_\_\_\_
- Is there such a thing as \_\_\_\_\_
- Is it found in \_\_\_\_\_
- Is it significant, not significant
- Is it necessary
- Can you put it in perspective
- Are there unanswered questions about it
- Are you sure about it
- If you could \_\_\_\_\_ would you
- Is it true that \_\_\_\_\_
- If there wasn't \_\_\_\_\_ could it still live, work
- Is there anything else
- Did I miss anything
- Did I forget anything
