

Critical Thinkers:

- Analyze**
- Synthesize**
- Evaluate**

Critical Thinkers:

- Ask how.**
- Ask why.**
- Ask who, what,
where, when.**

Critical Thinkers:

- Read.

- Take

**responsibility for
their education.**

- Make decisions.

Critical Thinkers:

- Tear things apart.**
- Create new things and make predictions**
- Compare ideas and verify the value of evidence.**

Critical Thinkers:

- Plan ahead.**
- Think outside the box.**
- Think about the question, not just the answer.**
