

Poetry Analysis

- **Do you discuss the form of the poem in an in-depth manner?**
- **Do you discuss the poetic devices the poet uses in the poem?**
- **How do these poetic devices help the flow and meaning of the poem?**
- **Do you clarify or discuss important words or phrases in detail?**
- **Do you discuss the overall meaning or feeling of the poem (does it have more than one level of meaning)?**
- **Are there connections between words or phrases in the poem?**
- **If the poem is verse, what kind of rhythm or beat does the poem have?**
- **What kind of impression are you left with?**
- **Can you relate some other piece of literature by another author to this poem (compare or contrast)?**
- **Are you left with any questions about specific parts of the poem or the poem in general?**
- **Are there specific problems in the poem?**
- **How would you solve any problems in the poem?**
