

World Heritage Site Exploration and Research Project

Welcome to the World Heritage Site exploration and research project. While completing this project, students will build and submit extensive knowledge of their World Heritage Site through research. Additionally, students will collect useful information on travel to the site country and collect information about the culture and customs of the country. The research will be presented to the class through your Weebly website.

Assignments:

- 1. World Heritage Site Information:** Include a complete copy of the information that details your World Heritage Site selection. Be sure to note the source of your information.
 - [World Heritage Sites](#)
- 2. U.S. State Department Travel:** Include complete information regarding your country's travel advisory information. Include the source as the U.S. State Department Travel website.
 - [U.S. State Department Travel Site](#)
